

BETHANY G. FEDDES

www.linkedin.com/in/bethany-feddes-a18613302 • 708.980.5730 • bethanygfeddes@lewisu.edu • Frankfort, IL

HIGHLIGHTS OF QUALIFICATIONS

- Data engineering with Python and pandas on large-scale datasets (7M+ records)
- Built data pipelines integrating multi-source datasets, including feature engineering
- Data visualization with Tableau to communicate insights to non-technical audiences
- Object-oriented Python development, including strategy, pipeline, and polymorphism design patterns
- Backend development using FastAPI and SQLAlchemy

SUMMARY OF TECHNICAL QUALIFICATIONS

LANGUAGES:

- Python, Java, SQL, JavaScript

WEB:

- HTML, CSS

LIBRARIES AND FRAMEWORKS:

- pandas, NumPy, matplotlib, FastAPI, SQLAlchemy

APPLICATIONS

- VS Code, Excel

EDUCATION

B.S. in Computer Science, B.A. in Data Science

Lewis University, Romeoville, IL

Expected: December 2027

GPA: 4.0/4.0

Associate of Science, Associate of General Studies

Joliet Junior College, Joliet, IL

December 2025

GPA: 3.9/4.0

PROJECTS

Examining Gender Differences in Cardiac Healthcare Utilization: Lewis University ASA DataFest, Apr. 2026

- Led a team over 48 hours to analyze a de-identified 7-million record healthcare dataset to investigate gender disparities in cardiac care
- Built a multi-table data pipeline in Python merging 7 CSV files and engineering features including visit frequency and diagnostic classification
- Visualized results in Tableau and presented findings to a panel of professors

Car Accident Severity Analysis: Project at Lewis University, Apr. 2026

- Applied FP-Growth algorithm in Python to 500,000 US car accident records to identify conditions correlated with accident severity
- Cleaned and preprocessed raw data including binning numeric variables and handling missing values

EXPERIENCE

Crew Member

Dunkin Donuts, Frankfort, IL

April 2023 – June 2024, May 2026 – Current

- Handled high-volume, fast-paced transactions with accuracy while maintaining strong customer service

Volunteer Volleyball Coach

October 2025 – Current

Homeschool Resource Center, Joliet, IL

- Led weekly practices and mentored a team of middle schoolers, developing communication and leadership skills

HONORS AND AWARDS

- Winner, 2026 ASA DataFest
- Member, Phi Theta Kappa Honor Society
